information field and written information from at least one of the other information fields from at least one of the other documents, wherein at least one writing profile representation comprises at least one cross-field correlation between at least two information fields". For Independent claims 415, 448, 453, 458, 491, 496, the prior art on record, Ericson et al., (US.6, 836,555 B2), and Ammar (US 6,424,728 B1), fails to teach or fairly suggest, singly or in combination, "wherein at least one of the writing profile representations comprises written information from the information field and written information from at least one of the other information fields from at least one of the other documents, wherein at least one writing profile representation comprises at least one cross-field correlation between at least two information fields". Each of the above references either singularly or in combination, fail to anticipate or render the above limitation obvious.

6. Any comments considered necessary by applicant must be submitted on later than the payment of the issue fee and to avoid processing delays should preferably accompany the issue fee. Such submissions should be clearly labeled, comments on statement of reasons for allowance.
